

COA/BOT conducted the 1st tender of SBS US brown rice tender GF4-109105. There were seven companies from four groups participating. The offering price was in the range of US\$17.85 – 35.15. This is essentially an auction of import licenses. It failed because there were no bidders on the licenses at a price high enough for the government to accept. The government does not state its minimum bid price before or after the auction.
